## Sample ID

## Solubility

- Methanol     Acetonitrile     Water  
 Chloroform     Other/indicate Under Comments

## Sample Stability

- Stable     Air Sensitive     Temp. Sensitive

Molecular Formula

## Comments/Special Instructions/Structure

Ion Observed	Predicted m/z	Observed m/z	Relative Error ppm

## Post-Analysis Comments

## Analysis By

## MS Analysis

- ESI-TOF     MALDI-TOF  
 GC-MS     ESI-MS/MS  
 LC-MS

## Mass Accuracy Requirement

- High Accuracy     Nominal Mass

## Polarity Requested

- Positive Ion     Negative Ion
